

PROFESSIONAL EXPERIENCE

Law Office of Juan J. Aguirre

January 1, 2006 – Present: Represent those accused of misdemeanors and felonies. Investigate the accusations, the law, the evidence and prepare for trial when necessary. Tried over fifty jury trials as a defense attorney in misdemeanor and felony courts in Harris County. Represented thousands of defendants, primarily as appointed counsel, but also as hired counsel. I am very familiar with the Judges and Staff of all of the criminal courts, misdemeanor and felony in Harris County.

Harris County District Attorney's Office

August 2001 – December 2005; Assistant District Attorney: Represent the State of Texas in investigating and filing charges, and prosecuting those accused of misdemeanors and felonies in Harris County. Started as a Pre-Commit at the District Attorney's Office and became a licensed attorney upon passing the bar; promoted through misdemeanor and felony courts, leaving as a second time felony prosecutor. Tried over fifty jury trials including assault, DWI, possession of marihuana and controlled substances, theft, aggravated assault, sexual assault, robbery, aggravated robbery, child abuse and many others.

July 2000 – May 2001; Intern: Intern in Public Integrity Division of the Harris County District Attorney's Office helping the prosecutors investigate, present to Grand Jury, and prepare for trial on case of public employees and public officials charged with crimes.

City of Del Rio, Texas

June 1996 – August 1998; Assistant City Manager: Assisted the City Manager in preparing the municipal fiscal year budget. Prepare ordinances and resolutions for City Council with assistance of City Attorney. Supervise the day to day operations of the Public Works, Engineering, Police and Fire Departments. In the absence of the City Manager, run the daily operations of the municipal government.

January 1992 – June 1996; City Planner: Conduct the Planning and Zoning operations of the City. Prepare, revise, and implement the Master Plan for the City. Supervise the Public Works, Engineering Geographic Information Systems and Building Inspections Departments. Work with Planning and Zoning Commission and Utilities Commission to promote orderly development of the City.

EDUCATION:

South Texas College of Law: Doctor of Jurisprudence, May 2001

Texas A&M University: Masters of Urban Planning, December 1991

Texas A&M University: Bachelors of Environmental Design, May 1989
